The following items will be investigated:

- A. Attempt to expand the membership of the Group so that it comprises both experts and students and members from all regions.
- B. Produce two newsletters.
- C. Investigate the desirability of eventually expanding the group to include "Mortars".
- D. Explore the desirability and feasibility of an interim meeting.
- E. Apply for grants as necessary to support the activities of the Group (particularly an interim meeting and the production and distribution of information for members who do not presently have access to electronic communication).
