### ICOM-CC strategic plan 2023-2026

During the triennial period 2023-2026, ICOM-CC will be guided by the following objectives:

- Advocate and celebrate the essential role of conservation philosophy in practice to the sustainable development of museums and the excellence of the work carried out by our members.
- Explore and develop new opportunities for cross-disciplinary collaboration within the ICOM community.
- Recognising that conservation is a global undertaking, seek to deepen our member's experience and engage new members in ICOM-CC.
- Engage with the topic of sustainability throughout the ICOM-CC structure ensuring that the Committee's work is effective in leading relevant professional practice.
- Manage Committee operations in a consistent, professional, and efficient way.

## ATTEND OUR ACTIVITIES

Triennial Conferences bring together professionals from all over the world who are interested in conservation. The Conference represents the apex of the triennial activity of the Committee and of its Working Groups.

**The next Triennial Conference is 14 to 18 September 2026 in Oslo, Norway.**
